

Liberty Tourniquets

Latex Free

Designed with patient comfort in mind, this tourniquet offers a velvety-soft touch. It's easy-to-use and features the popular one-hand operation, which prevents pinching, catching and jamming. Plus, you'll love the quick release buckle that allows for instant removal. A great way to put the patient at ease and make your job easier!

Features

- New improved clasp with no pinching, catching or jamming
- No unintentional opening
- One-hand operation with automatic release
- Easy access to function keys
- Latex Free
- Not Autoclavable

Cleaning Procedure

Clinical detergents/disinfection, that are used within your facility suitable for instruments and equipment, may be used. Please follow the manufacturer's instructions on the cleaning product as recommended for material cleaning.
