

# Identification Tag

## Retractable

Our new heavy duty metal case Identification Tag includes a sturdy metal slide clip on the back and a plastic wrapped wire cord and higher quality spring mechanism.

Perfect for card reader and proximity systems, our retractable badge reels have an 80cm cord so you can conveniently extend your card all the way to the reader.

### Features

- Retractable identification tag reel
- Coated metal cord
- Polished stainless steel case
- Belt clip
- Case Diameter: 40mm
- Cord Length: 80cm
- Hanging display packaging

Stainless Steel Case with Belt Clip
