

Silicone Tubing

This silicone tubing is translucent and is supplied individually sealed and packaged in 25 metre coils. Manufactured from 100% silicone elastomer, it is environmentally friendly and unlike its plastic alternatives, releases no toxic fumes when disposed of by incineration. It is also ideal in nuclear medical devices, food manufacturing and processing, laboratory and scientific equipment.

Features

- Translucent, environmentally friendly, releases no toxic fumes when disposed of by incineration
- Manufactured from 100% silicone elastomer
- Ideal in nuclear medical devices, food manufacturing and processing, laboratory and scientific equipment
