## Medical Scrubs | Fabric: Excel® Accuflex

### Excel® Accuflex 4-Way Stretch Fabric

As a health care professional, the last thing you want to think about is how well your uniform will fit and move during your work shift.

At Professional Choice Uniforms, that's all we think about. It all starts with our fabrics, from the Silky Soft blend of brushed poly, cotton to the Excel® poly, rayon and Spandex blend with four-way stretch. This range offers comfort and versatility for today's workplace.

In your job, you're on the move. You're bending, stretching, reaching, and the fabric in your uniform needs to move with you. When your busy work shift demands a uniform with 4 way stretch, think Excel® Accuflex.

## Medical Scrubs | Fabric PRO Polyester Cotton

### PRO Body Flex

Silky Soft, Easy care, Easy wear!

PRO silky soft diamond brushed. We all have our favourite comfort clothes, the ones that we've washed into a soft, touchable texture. Silky Soft diamond brushed fabric brings that love-to-wear feeling to your scrubs.

### About the Blend

65% Polyester 35% Cotton is a perfect combination of polyester and cotton known as polycotton. Very versatile, crease resistant and easy to maintain fabric. Easy to wash, easy to iron, woven on Suzler looms and then reactive dyed to maintain colour.

- Look professional.
- Feel Silky Soft.

## Medical Scrubs | Sizing & Measurements

The size chart below will be accurate for new styles, and styles which have come back in to stock. The following products will meet the size chart below:

### Excel 4-Way Stretch

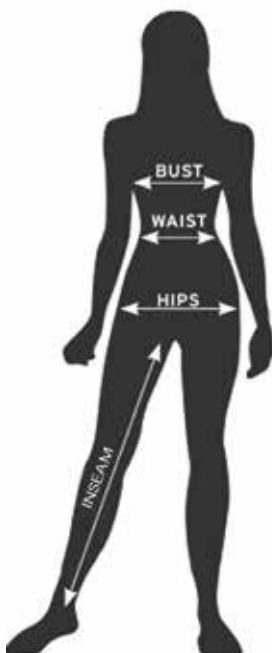

Pants: 610, 985  
Tops: 454, 511, 575  
Jackets: 804, 835

### PRO Polyester/Cotton

Pants: 660, 701, 777, 84  
Tops: 116, 221, 540, 595, 888

### Scrubs Size Chart

- All measurements are body circumference.
- Bust measurement is taken at the widest point of the chest, waist at the narrowest point of the torso, and hips at the widest point of the hips/thighs.
- Please refer to the individual garment's "Features" list for inseam and centre back lengths.
- Note that centre back is measured straight down the back of the garment from the top of the neck opening to the hem.
- To find where this will fall on you, measure from the base of your neck straight down the centre of your back.
- All Unisex sizes will fit a size larger than the chart.

**The Spectra range is a cart system that combines mobility and drawer flexibility into a lightweight colour coded package that has applications throughout all healthcare environments.**

The unique drawer system is based on removable 60x40 tray systems that offer different depths and the option of integrated drawer dividers. This allows flexibility with the carts application, in particular the ability to restock the carts with transfer tray systems.

The carts shelves are one piece moulded polymer which enables easy cleaning and eliminates infection control issues due to the rounded internal mould design, whilst integrating a raised lip to three sides to prevent items falling off.

The Spectra range offers unlimited drawer configurations and a range of colourful draw fronts.

- Work Surface Area: 620 x 460mm
- 125mm Castors
- Push handle optional on all models
- Interlocking dividers optional
